Miss FLORENCE K. LEETCH, Secretary, Harvard University

that the subject had visited that office in the fall of 1946
seeking a teaching position and requested that a transcript
of his record be sent to the following agencies:

The Chicago Office by letter dated April 21, 1947, advised that a check was made at all three of these agencies, and that up to that time, the subject had not been placed in a teaching position. However, it was determined that he had been registered with all three agencies, and it was believed that he might be placed in the fall of 1947 at one of the Eastern schools. According to information obtained from these agencies, subject formerly taught at Boston University in 1945 and was employed at the General Electric Plant, Lynn, Mass., in 1945 as a foreman. None of these agencies had corresponded with the subject since March, 1947.

Professor ELIOT PERKINS, Master of Lowell House, Harvard University, stated that he recalled the subject as a student in one of his classes about 1940. His recollection was that the subject "had more industry than judgement." Professor PERKINS stated that he did not know him well enough to form an opinion as to his loyalties.

Confidential informant T-1 advised that the subject's wife, Mrs. HEINEMAN, told her that she lived in Germany when Hitler first came to power and that her father and brother had spent some time in German concentration camps; that her brother later went to England and became a British subject. Her brother was a very brilliant scientist and, according to Mrs. HEINEMAN, EINSTEIN had sent for him to help work on the atomic bomb, and recently he had returned to England. Informant T-1 further stated that subject's wife told her that the subject had been taking courses all summer at Harvard University and was an instructor in history but had been sent to Mexico City by Harvard College and had been there for the past two months.

The writer made several inquiries at Harvard University, including the Department of History, but it was ascertained that the subject was not on the staff as an Assistant Professor, nor was he listed as one of those who was given a Research Fellowship to leave the country.

The subject's wife was contacted telephonically by the use of a suitable and she advised that her husband was in Mexico writing a book; that he had gone to that country on his own and was working toward a degree.

Confidential Informant T-2 advised on April 24 that Mrs. ROBERT WEINEMAN, subject's wife, received a letter which bore a return address of "R. HEINEMAN, U. S. Embassy, Mexico, D. F., Mexico."

Confidential Informant ND BOS MS-100, whose identity is known to the Bureau, on January 23, 1947, advised that an unidentified individual

called at Communist Party Headquarters and told ANNE GARFIELD, a clerical remployee, that he wanted to join the Communist Party. He stated he had been a member until 1937. He stated he did not want to use or give his real name for reference on the Party records, and after attempting to dissuade him from using an alias, ANNE GARFIELD told him it would be best for him to use his own first name. The latter step would prevent exposure of an alias in the event someone who knew him called him by his first name. He finally told her to use the name of ROBERT HILL on his membership card and gave his address/his telephone number as 94 Lakewlew Avenue, Cambridge, TROWbridge 0270. This telephone is listed to ROBERT HEINEMAN at that address. Subject paid a 50% initiation fee at the time he received his book.

Wisconsin. Hif father was Gabriel Bernard Heineman and his mother, Alma Block. He graduated from the University of Chicago High School in 1934 and received an AH degree on July 6, 1938, from Swarthmore College, Swarthmore, Pennsylvania. From the fall of 1938 to March 9, 1944, he attended the Harvard Graduate School of Arts and Science, 24 Quincy Street, Cambridge, Massachusetts. He received an AH degree in February, 1941, at Harvard. He withdrow from Harvard to onter war

Our records reflect that in January, 1947, he joined the Communist Party under the name of Robert Hill. At that time he advised the Party that he had been a member until 1937. Our records also reflect that he was a member of the Cambridge Branch of the Communist Political Association in 1944.

In February, 19h2, Kristel Heineman listed the following relatives outside of the United States. Dr. Emil Fuchs, Borlin, Germany - Father; Corhard Fuchs, held at a sanatorium, Jurich, Switzerland - brother; Dr. Klaus Fuchs, serving in the English Army - brother.

When Hitler first came to power and that her father and brother had spent some when in German concentration camps. She said that her brother later went to England and became a British subject. She described this brother as a very brilliant scientist and said that Einstein had sent for him to help work on the Atomic Bomb, and that recently he had returned to England. This was as of the early part of 1947.

It appears that the Heinemans resided at 11/1 Lakeview Ave., Cambridge, Massachusetts, from 1941 until 1944 and possibly until 1945. However, it is known that in 1944, Robert Heineman had the address of 302 South Plymouth Street, Chicago, Illinois, which may be the address of his parents.

It appears that in January, 19hh, the General Electric Company, River Works Plant, Lynn, Massachusetts, filed an occupational certificate on behalf of Robert Heineman with his selective service draft board. This was during the period he was in attendance at Harvard. On July 18, 19hh, Heineman advised his draft board that he had applied for overseas ambulance duty with the American Field Service, 8 Hewberry Street, Boston Hassachusetts.

From August, 1945, until about June 6, 1946, he was employed as a teacher at the Antrim Public High School, Antrim, Hew Hampshire. After the school term he returned to Cambridge, Hassachusetts, where his address was changed from this to 94 Lakeview Avenue. This is his last known address.

We have no record of travel on the part of the Heinemans during 19th except as might be inferred from the Chicago address mentioned above and the application for overseas ambulance duty.

Our records also show that Heineman made a trip to maxico and registered at the United States Embassy on February 15, 1947. He remained until Hay 20, 1947, and attended classes at the University of Mexico. On May 20, 1947, he left for Chapila, Jalisco on a vacation and left Chapala enroute to the United States on or about August 27, 1947.

to be a list of persons compiled in 1941 for the use of the German Army in the invasion of musical lists the following:

"Klaus Fichs, student of philosophy, Decomber 29, 1911, musselsheim, HSHA-IVA2, Gestapo Field Office Kiol.

"Gerhard Fuchs, October 30, 1909, Russelsneim, student, RSHA-XVA2, Gestapo Field Office Kiel.

"Dr. Fuchs, Jow, Director of the sick fund in Ozemowitz, Bussian N-Agent, Bukowina, RSHA-IVES, Gestapo Field Office Breslau."

The translator of this document submitted an analysis of the file numbers. MSHA stands for Reichssichercheitschauptamt, which is the central office of the Security Police. The roman numerals IV refer to the department of the RSHA. The file IVAl and IVA2, usually assigned to German Communists. The majority, former German Communist Deputies and German Communist Writers, had the file number IVA2.

Our records reflect that Dail Julius Klaus Muchs arrived in this country on December 3, 19h3, abound the British Havy Transport H.M.T. Andes. Abourd this same ship were Rudolph Ernst Peierls and his wife, Mugenia Peterls. Mrs. Poierls was born July 25, 1908, at Leningrad, Mussia. She is a British citizen having been naturalized Harch 26, 19h0, at London England.

According to the Atomic Energy Commission, Book II, Caseous Diffusion (K-25) Project, Volume III, Designed, Section 15, of the Manhathan District History reflected that Dr. Fuchs was one of a group of British scientists who developed diffusional separation processes. This report stated that during the period from March to June 1944 (which period is pertinent to this case) certain members of the British group Messrs. C. F. Kearton, R. Peierls, K. Fuchs and R. Skyrme were stationed in New York, and on request from Kellex and with the approval of the War Department undertook an analysis of certain theoretical studies which were summarized in a series of reports, and MEN series, which were helpful in anticipating problems of plant design.

It is to be noted that the latter report reflects that Kristel Heineman has not been naturalised as a citizen of the United States, and further, that her alien Energy Registration folder contains no applications for permits to travel. the Washington Field Office is requested to advise whether or not the records of the Innigration & Maturalination Service were checked for re-entry Permits that might have been issued to Kristel Heineman. Re Boston teletype to the Bureau February 9, 1950, requesting the Washington Field Office, as well as other offices, to search their indices on the following individuals:

NANCY KARDOZA, MARY JVANS and TED BELTFORT

The Washington Field Office indices are negative pertaining to MANCY KARDOZA and MARY-IVANS. Washington Field Office has no information in its . files pertaining to TED BELTFORT which the Boston Office does not now possess.

Further reference is made to the report of Special Agent BRENTON S. GORDON, dated February 9, 1950, at Boston, in the above captioned case, wherein a lead was set out for the Washington Field Office to check the Visa Records of the State Department to determine the dates of EMIL JULIUS KLAUS FUCHS! visit to the United States in 1947 and his itinerary.

The records of the Immigration and Naturalization Service reflected that FUCHS arrived at New York November 11, 1947, and departed this country on November 30, 1947.

The State Department files had no additional information concerning FUCHS' travel in this country in 1947.

This information was previously furnished the Bureau and New York Office by report of Special Agent H. DUDLEY PAYNE, dated November 15, 1949, at Washington, D. C., under the caption of EMIL JULIUS HLAUS FUCHS. Boston did not receive a copy of this report. RUC

SUBJECT

KRISTEL FUCHS HEINEMAN with aliases ROBERT BLOCH HEINEMAN with aliases ESPIONAGE (R)

\\ \f\ -1

ReBulet September 11, 1950 and Form #64 forwarded Boston 9/18/50.

It is not recommended that a Security Index card be maintained with reference to KRISTEL HEINEMAN because she is currently confined to the Westboro State Hospital for the Mentally Ill at Westboro, Massachusetts, and will be so confined indefinitely.

A review of the reports submitted by Decial Agent BISNION S. GORDON in this case, in the HARRY GOLD case and the LLAUS FUCHS case and indicate that Dr. ROLLI'S HADLEY, director of the above hospital, has been extremely cooperative. He has assured Special Agent Gordon that should have be any change in Mrs. HEINEMAN'S condition which would warrant her leaving the hospital under any circumstances whatsoever, he would advise the agent before permitting such to occur.

ROBERT HEINE AN was, as a review of the above reports will indicate, extremely cooperative throughout the GOLD and FUCHS investigations. He provided the Gureau with its first leads which led to the identification of GOLD.

He has renounced his former association with the Communist Party. In view of his having identified Party members with whom he was affiliated and in view of his reluctant willingness to testify against those persons in a court of law, it is not believed that a Security Index card would be justified at this time.

The agent to whom the instant case is assigned is deeply involved in a number of other cases which would appear, under current Bureau directives, to require priority attention. Accordingly, it is anticipated that a closing report in this case will be submitted approximately October 25, next.

Reference is made to Bureau Form O-1, submitted to the Boston Division on November 2, last, in instant case.

The HEINEMAN cases and the case involving KLAUS FUCUS are assigned in the Boston Division to Special Agent BRENTON S. GORDON. Agent CORDON is also handling the ROSENBERG group cases in Boston and the ROTELIAN group cases in Boston. The latter two assignments appear, from information currently in the Boston files, to be more pressing than the captioned. As soon as they are handled, Special Agent GORDON has been instructed to submit a closing report in the instant and related cases.

Present personnel indications at this point do not permit reassignment of any of the foregoing.

It is anticipated that a closing report will be submitted within twenty days.

SUBJECT: ELMA ANNA DOROTEA IDA KRISTEL HEINEMAN, nee-RUCHS, was: ROBERT BLOCH HEINEMAN, was. ESPIONAGE - R

PURPOSE

To obtain authority to close this case

#### DETAILS

Kristel and Robert Heineman are the sister and brotherin-law of Klaus Fuchs, British atom scientist convicted on charges of espionage in behalf of the USSR. Investigation of subjects prior to the Fuchs case developed evidence of Communist Party membership on the part of Robert Heineman.

In connection with the Fuchs case, both of the Heinemans were interviewed. Mrs. Heiner an was then in the Westboro State Hospital for the mentally ill .... she had been earlier confined as a mental patient. The attached closing report reflects that Kristel Heineman is still in this distitution, with no apparent hope of recovery.

Robert Heineman, though reluctant to cooperate when first interviewed, subsequently admitted his Communist Party affiliation and activity and thereafter did cooperate to some extent with the Bureau. He furnished information concerning the scientist, (later identified as Harry Gold) who visited the Heineman residence in 1945 looking for Fuchs. The attached closing report reflects that recent contacts with confidential informants in Boston failed to disclose any further information indicating Communist activity on the part of Robert Heineman.

A review of Bureau files, according to attached search slips, has been made without locating any additional information identifiable with either of the Heinemans which would warrant continuance of an espionage investigation. This review reflects that, during 1950. Robert Heineman has been carried as a temporary informant in several reports emanating from the Boston office.

SUBJECT:

Former Special Agent and now Attorney JAMES F. MAHAN advised Special Agent BRENTON S. GORDON, of this division, on May 29, 1951, of the following.

In late April 1951, MR. MAHAN filed a petition for a divorce proceeding in the Middlesex South District Probate Court at Cambridge, Massachusetts, on behalf of ROBERT HEINEMAN. grounds for the divorce are adultery and the correspondent named is KONSTANTIN LATAZANOS, of Lowell Rassechusetts. MR. MAHAN stated that the nocessary affidavits from two reliable witnesses, whom he did not identify, have been obtained. MAS ROBELT BLYEINERS

MR. MAHAN stated that he was bringing this information to the Bureau's attention because it was possible that some publicity might result when the proceedings are carried before a probate judge. The court has been requested to appoint a guardian to act for MPS. HEINEMAN, who remains an inmate the westboro State Hospital for the Mentally 111.

MR. MAHAN stated that both he and his client were anxious to avoid publicity; that thus far, no newspaperman had noticed the filing of the papers, and it was possible that the proceedings might be conducted without any publicity. MAHAN further stated, however, that if, "in self-defense", it is necessary for him to issue some statement, he intends to follow the outline of the story of the FUCHS case as presented by the Director in the article appearing in the May 1951 issue of Readers Digest, and entitled "The Crime of the Century".

The foregoing information is provided the Bureau for informative purposes. The Boston Division has evinced no interest in the civil actions involving the HEINEMAN family.

TEATATANOS then commented that the interviewing Agent might well note that he had lost considerable weight since the last time the Agents had interviewed him in connection with the FUCHS and GOID case. Here again LAFA- '. '.

Mr. Mohr ...

ZAMOS stated, "My loss in weight is the result of the psychological warfare being waged upon me by SA GORDON and SA DOW."

It will be noted that LAFACANOS! is a matter of record with the Selective Service officials and has been described earlier in reports concerned with the Foocases.

The foregoing information is furnished the Bureau for informative purposes. It is noted that the attorney representing HEINEMAN has previously advised that he intends to avoid publicity in connection with his client's domestic problems. It can be noted however, that LAFAZANOS will undoubtedly attract newspaper attention if he makes the allegations he declares above.

Obviously, no comments were made to LAFAZANOS which would, in any way, reflect a Bureau interest in this purely civil matter.

was interviewed on May 12, 1955 by agents of the at which time she said she did not desire to testily, that she had no clear memory that the subject attended any Communist Party cell meetings. She said her general impression was that the subject probably belonged to the Communist Party but said she had no definite information in this regard.

On April 29, 1964 Mrs. SYLVIA CARR, 4 Plympton Street, Woburn, Massachusetts, wife of a Methodist minister, advised that the subject, about ten years ago, married ALBERT HOLZER, an uncle of Mrs. CARR, and that they were now living in Putney, Vermont having moved there from Hyde Park, Massachusetts where ALBERT HOLZER had a business. Mrs. CARR said that KRISTEL HOLZER had gone to East Germany many times and that she was a sister of KLAUS FUCHS. She said she was reporting this matter because she understood KRISTEL HOLZER still wanted to make another trip to East Germany but believed that her husband, ALBERT HOLZER, had refused to let her go.

On October 2, 1964 Mrs. CARR furnished the following additional information regarding the subject:

The subject, a sister of KLAUS FUCHS, was divorced by ROBERT B. HEINEMAN in 1951 when she was a mental patient at the Westboro State Hospital, Westboro, Massachusetts. As part of an occupational therapy program she went to work following her discharge from Westboro for the U. Holzer Company, 29 Collins Street, Hyde Park, Massachusetts, a well-known Boston bookbinding firm. While working there, she met ALBERT HOLZER, a member of this firm, who is an uncle to Mrs. SYLVIAYCARR, and in 1954 the subject and ALBERT HOLZER, were married. This was the first marriage for HOLZER, who was 71 years of age. Two children were born of this marriage, both girls, namely MADIANNA, now about nine, and HEIDI, now about seven

The subject and HOLZER resided at 35 Collins Street, Hyde Park, Massachusetts, for about nine years until they moved to Putney, Vermont in 1963 when the Holzer bookbinding business was sold. The reason for their moving to Putney, Vermont was never clear to Mrs. CARR but they once stated there were better schools for the schildren there.

Mrs. CARR advised that in 1961 and 1963 the subject and ALBERT HOLZER made trips to East Germany where they visited KLAUS FUCHS and also the subject's father. She stated the subject wanted to make another trip in 1964 but that ALBERT HOLZER had not agreed to this and they did not go.

Mrs. CARR said she had been concerned for some time regarding the subject based on her background as a sister of KLAUS FUCHS and because of these trips to Germany to visit him. She said she also questioned the motive of the subject in moving to Putney, Vermont, which community she said seems to attract people of "questionable sympathies". She added that the subject had become very irritating within the HOLZER family and seemed to "divide and conquer" various members of the family. She also pointed out that she, Mrs. CARR, would have been heir to ALBERT HOLZER's money except for his marriage to the subject. She furnished no specific information regarding any subversive activities on the part of the subject.
